

Empowering NEET youth through open innovation and transnational collaboration for skills development and labor market integration.

Welcome to YouthLivingLabs Project Second Newsletter!
Join us in fostering innovation, collaboration, and new opportunities for youth empowerment.

YouthLivingLabs is a 24-month project, co-funded by the ERASMUS-YOUTH-2024-CB of the European Union.

Let’s take you on a journey through the exciting milestones we’ve achieved in the YouthLivingLabs project—building innovation labs, empowering youth, and shaping the future

Peer Learning #2 - Cyprus: Co-Designing the Future of Youth Innovation

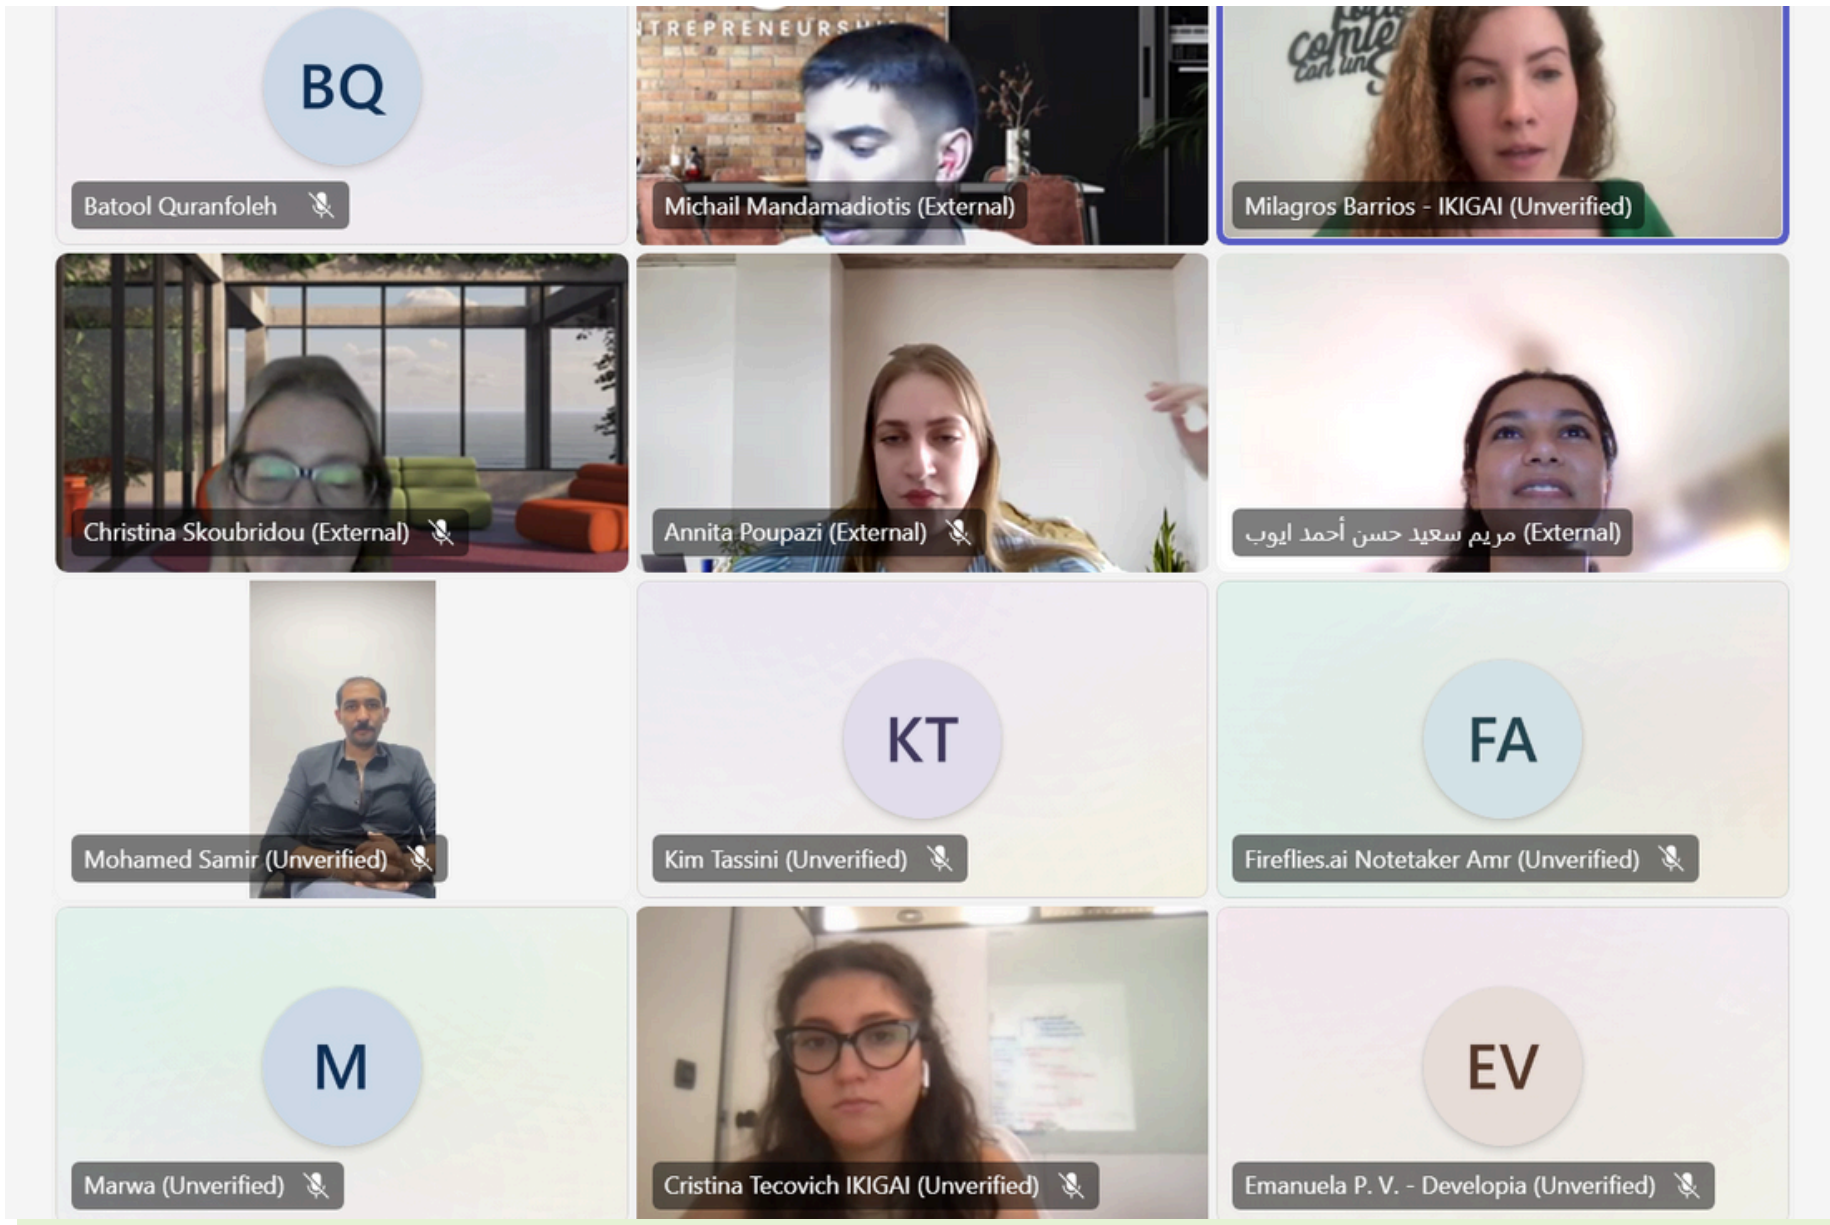

Key Outcomes:

- Finalization of the YLL setup model for local implementation.
- Exchange of best practices and co-creation strategies among partners.
- Strengthened cross-border collaboration and alignment on youth engagement strategies.

Co-Creation Workshop # 1 - Designing Inclusive Innovation Spaces

Key Outcomes:

- Defined transparent and inclusive selection criteria for youth participants.
- Developed the structure for the open call and application process.
- Fostered a sense of ownership and engagement among young participants.

WHAT IS NEXT?

We are now preparing for the second co-creation workshop, which will take place in Egypt. This workshop will focus on engaging local businesses and startups to define real-world challenges that youth teams will tackle during the experimentation phase. Stay tuned for updates as we continue to build bridges between young innovators and the business sector!

Stay Tuned!
